SKILLS

Google Workspace, Java, Visual Basic, MacOS & Windows, Technologically Adept

COMMUNITY INVOLVEMENT

Nursing Home Assistance:

- Assisted residents with daily activities, including preparing and serving coffee.
- Provided support during recreational activities such as bingo, ensuring chips were organized and placed properly on bingo cards.
- Engaged with residents to enhance their overall experience and well-being within the community environment.

Second Harvest Food Bank:

- Labeled cans with accurate descriptions of the food contents.
- Carefully inspected food items to ensure quality and safety standards were met before packaging.
- Sorted and bagged food items, following specific guidelines for handling perishable and non-perishable goods.
- Collaborated effectively with team members to streamline operations and maximize efficiency in food packing processes.

Mardi Gras Run Fundraiser (Key Club):

- Filled and distributed water bottles to participants during the race to ensure their hydration and well-being.
- Actively engaged with runners, providing encouragement and support throughout the event.
- Contributed to the success of the fundraiser by assisting in logistical tasks and promoting community involvement.
